

§ 60.12

36 CFR Ch. I (7–1–15 Edition)

(f) If the applicant substantially revises a nomination form as a result of comments by the State or Federal agency, it may be treated by the State Historic Preservation Officer or Federal Preservation Officer as a new submittal and reprocessed in accord with the requirements in this section.

(g) The Federal Preservation Officer shall request the comments of the State Historic Preservation Officer and notify the applicant in writing within 90 days of receipt of an adequately documented nomination form as to whether the Federal agency will nominate the property. The Federal Preservation Officer shall submit an adequately documented nomination to the National Park Service unless in his or her opinion the property is not eligible for the National Register.

§ 60.12 Nomination appeals.

(a) Any person or local government may appeal to the Keeper the failure or refusal of a nominating authority to nominate a property that the person or local government considers to meet the National Register criteria for evaluation upon decision of a nominating authority to not nominate a property for any reason when requested pursuant to § 60.11, or upon failure of a State Historic Preservation Officer to nominate a property recommended by the State Review Board. (This action differs from the procedure for appeals during the review of a nomination by the National Park Service where an individual or organization may “petition the Keeper during the nomination process,” as specified in §§ 60.6(t) and 60.9(i). Upon receipt of such petition the normal 45-day review period will be extended for 30 days beyond the date of the petition to allow the petitioner to provide additional documentation for review.)

(b) Such appeal shall include a copy of the nomination form and documentation previously submitted to the State Historic Preservation Officer or Federal Preservation Officer, an explanation of why the applicant is submitting the appeal in accord with this sec-

tion and shall include pertinent correspondence from the State Historic Preservation Officer or Federal Preservation Officer.

(c) The Keeper will respond to the appellant and the State Historic Preservation Officer or Federal Preservation Officer with a written explanation either denying or sustaining the appeal within 45 days of receipt. If the appeal is sustained, the Keeper will:

(1) Request the State Historic Preservation Officer or Federal Preservation Officer to submit the nomination to the Keeper within 15 days if the nomination has completed the procedural requirements for nomination as described in §§ 60.6 or 60.9 except that concurrence of the State Review Board, State Historic Preservation Officer or Federal Preservation Officer is not required; or

(2) If the nomination has not completed these procedural requirements, request the State Historic Preservation Officer or Federal Preservation Officer to promptly process the nomination pursuant to §§ 60.6 or 60.9 and submit the nomination to the Keeper without delay.

(d) State Historic Preservation Officers and Federal Preservation Officers shall process and submit such nominations if so requested by the Keeper pursuant to this section. The Secretary reserves the right to list properties in the National Register or determine properties eligible for such listing on his own motion when necessary to assist in the preservation of historic resources and after notifying the owner and appropriate parties and allowing for a 30-day comment period.

(e) No person shall be considered to have exhausted administrative remedies with respect to failure to nominate a property to the National Register until he or she has complied with procedures set forth in this section. The decision of the Keeper is the final administrative action on such appeals.
